

Here are some very ROUGH numbers for the article. I am behind again with filing and recording. As for the number of prisoners I have enrolled it is in the area of 158 and counting. I have had 8 released with certificates. I have sent 40 certificates that I have recorded.

I have a letter from one of them I am going to try to scan. (Le said that I can do it but I doubt it) Time is a factor for me so I am just going to type it and you can use it if you need it.

Dear

First Of all GOD bless you and I'm sure that HE has, according to the wonderful work that I have heard you are doing in helping spread the "Good News" about our Lord and Savior Christ Jesus.

Second, I am incarcerated and met a man also incarcerated who's name is Tellis Young.

We study or studied scripture daily out of a little brown Bible that he said he had gotten from you in the mail. He is now gone to another jail, I believe, but he took his Bible with him- understandably. If possible I would love to receive a Bible (of any sort-if you could possibly arrange that. I'm a newly born-again Christian and also love learning and sharing the wonderful news of salvation.

Thank You So Very Much!

Another excerpt..... He is one who was at his official intake facility was transferred and wrote to let me know where he was as he wanted to continue his studies. He is on his 3rd Course . ".... I want to thank you for letting me participate in these lessons. I have really enjoyed doing them. I would really love to keep doing more. I can't wait to get out and start sharing GOD with my family. Eventually I would like to be able to share my story with others that have or are going through the life that I have gone through. Maybe help kids by showing them if I can change; they can too..Good bless you for everything you are doing for all of us locked up. It means a lot to me that you take time to this for us.

GOD BLESS

These are a few. I have several others if you need something else.
