

KinderCare Program

The KinderCare Christian Preschool program is designed to provide a learning environment optimal for three- and four-year-old children. The program is dedicated to enhancing a child's cognitive, social, physical, creative and spiritual development. The curriculum at KinderCare is Christian-based, integrating Hand-Writing Without Tears and Frog Street Literacy curriculum along with thematic units developed from the Early Childhood Standards of the Texas Education Agency. Montessori principles are used for lesson delivery and learning environment design. KinderCare is a ministry for children, providing them with the best available developmentally appropriate preschool experience.
