## **Holistic Intergenerational Family Ministry**

**Over 100 members of our congregation will be gone this weekend at the Family Retreat. From this alone, you would probably guess that we put a lot of emphasis on “Family” at Graham Street Church of Christ. But you might not fully understand what we mean by “Family Ministry,” and what all it includes, and how important it is to our mission of being “Rooted, Growing and Reaching.”**

**First, what is Family Ministry? Family Ministry at Graham St Church includes everything about making families stronger. That’s why we have classes for children of all ages and the GPS Class for their parents (GPS stands for Godly Parenting Skills). That’s why we have a Youth Minister and a Children’s Minister and small groups and helpful resources for families with children.**

**But when we talk about family here at this church, we are also talking about the Church Family for we are supposed to be one big Family of God as the Body of Christ united by the Holy Spirit. You can read about this in Paul’s letter to the Ephesians. So, Family Ministry at Graham Street Church is more than just classes for young families, it also includes the Duracells - our Senior Saints, college students, singles, widows and widowers, people of all generations.**

**We feel this holistic intergenerational family ministry is a vital part of our mission as a church to be ROOTED in the Word of God (Christ and Scripture); GROWING to become like Christ bearing the fruit of the Sprit, and REACHING up to God in worship, REACHING in to encourage and support the family of God, and REACHING out to the world through loving service. What better way to fulfill this mission than through being a church that is itself a holistic intergenerational family ministry.**
